January 4, 2021

To Whom it May Concern,

Please accept this letter as guarantee that our company, Western Alfalfa Milling Co Ltd grows only non-gmo alfalfa and produces only non-gmo alfalfa products.

Our alfalfa pellets are produced with 100% alfalfa forage Saskatchewan grown without chemical fertilizers or pesticides, and the pellets contain no binders or other ingredients.

Please do not hesitate to contact us if you have any questions, or if we may be of further service in anyway.

Best regards,

April Guertin
